Re: Collado v. 216 Realty Associates LLC et al., et al. 22-cv-10600

Your Honor,

The parties would respectfully make the joint request to adjourn the initial conference in this matter until late June 2023. The parties have already set a mediation for June 13, 2023 and have begun gathering disclosures in anticipation of that mediation.

This case was first assigned to Judge Woods before being re-assigned to Judge Reardon. Judge Woods had originally set an initial conference date for September 2023 and the parties had prepared themselves accordingly.

The parties jointly believe that imposing a discovery order while mediation is pending might hamper the litigants' settlement discussions in the long run.

Respectfully Submitted,

/s/ Colin Mulholland, Esq.

Application Granted

Valerie Figueredo, U.S.M.J.

DATED: April 27, 2023

The conference scheduled for May 3, 2023 is canceled. The parties are directed to submit a status update by June 27, 2023, updating the Court on the mediation and informing the Court whether the parties are prepared to reschedule the Initial Case Management Conference. The Clerk of Court is directed to terminate the motion at ECF No. 22.
